CAUSE

On January 20, 2025, Mr. Munafo released from the Bureau of Prisons and began his term of supervised release residing with a friend, in the Northern District of New York (NDNY). Supervision of this case was temporarily transferred to the NDNY while their office assessed his residential stability.

On March 18, 2025, Mr. Munafo provided a urine sample to the NDNY probation office, which tested positive for cocaine. Mr. Munafo admitted to using cocaine on March 15, 2025, while with a friend, consuming alcohol. In response to this behavior, the NDNY probation office instructed Mr. Munafo to complete a substance abuse evaluation. Mr. Munafo also agreed to the addition of the aforementioned conditions.

Based on this information, it is respectfully recommended the special conditions be modified to address Mr. Munafo's violation conduct and ensure he is not engaging in additional violation conduct. Mr. Munafo plans to remain in the NDNY, so their probation office is recommending the special conditions be modified to reflect the language typically used by their Court. Mr. Munafo is not opposed to the change in his conditions. The NDNY plans to seek a transfer of jurisdiction in this case, so if Court involvement is necessary in the future, it can occur in the district where Mr. Munafo is residing.
